

# Magik Sport Theme – Installation & Configuration Instruction

Magik Sport is a Magento theme specifically built for stores that are selling sportswear, sports shoes and other related products for men, women & kids. You can buy, download and get the theme up and ready on your site very quickly. The theme is tested across all popular browsers, is designed to be SEO friendly and is built without altering the code Magento theme structure so you can make small customizations easily. Magik Sport play nice with all the major browsers. The following browsers have been personally verified by us: Internet Explorer 6.0+, Firefox 2+, Opera 9+, Safari 3+ and Chrome 0.2+!

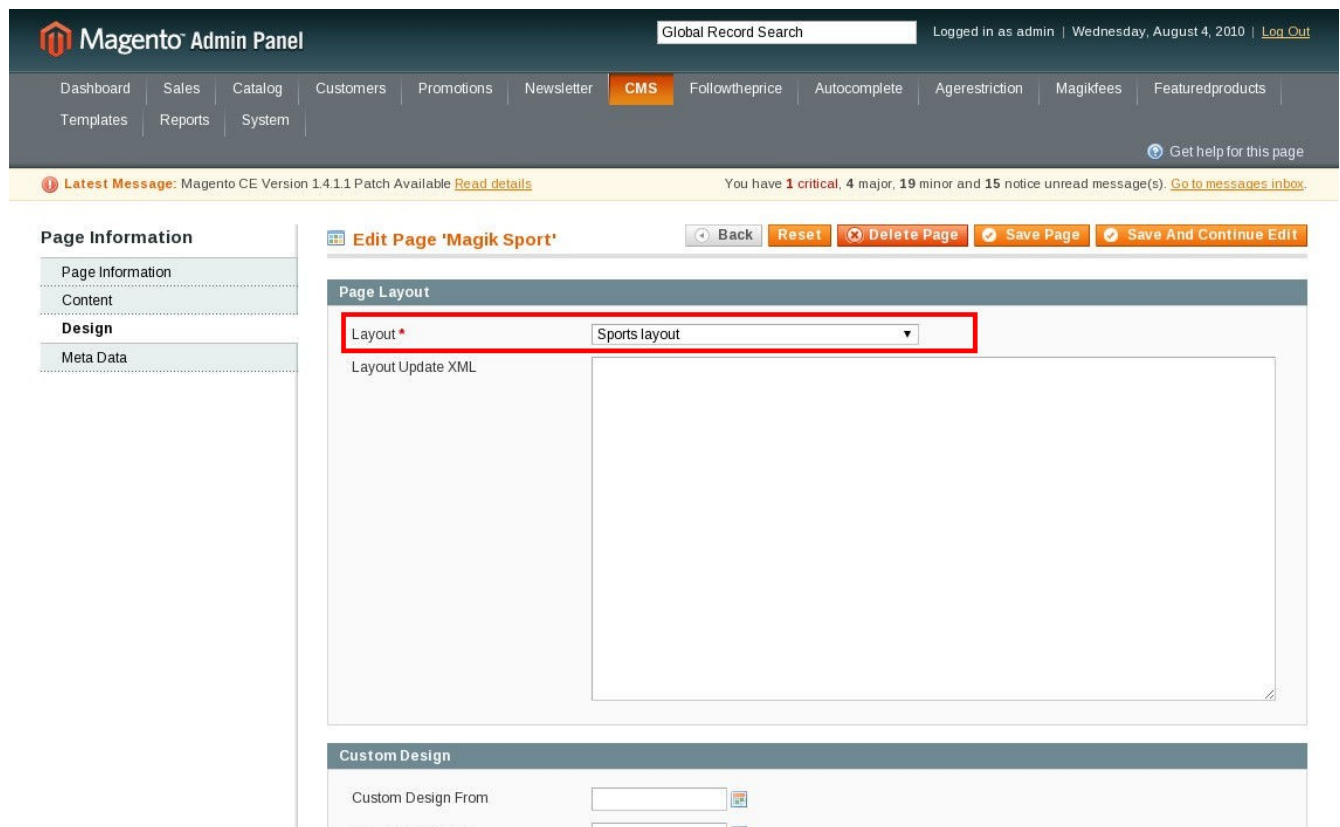

## Support:

This theme is provided 1 year of maintenance & updates or enhancements.

Please [contact us](#) to discuss further with your customization requirements.

To install the theme please follow the steps given below:

1. Copy app directory into your magento store under /app folder.
2. Copy skin directory into your magento store under /skin folder.
3. In Admin choose "CMS" => "Manage Pages". Create home page with "Sportslayout" which is a new layout added by our theme.

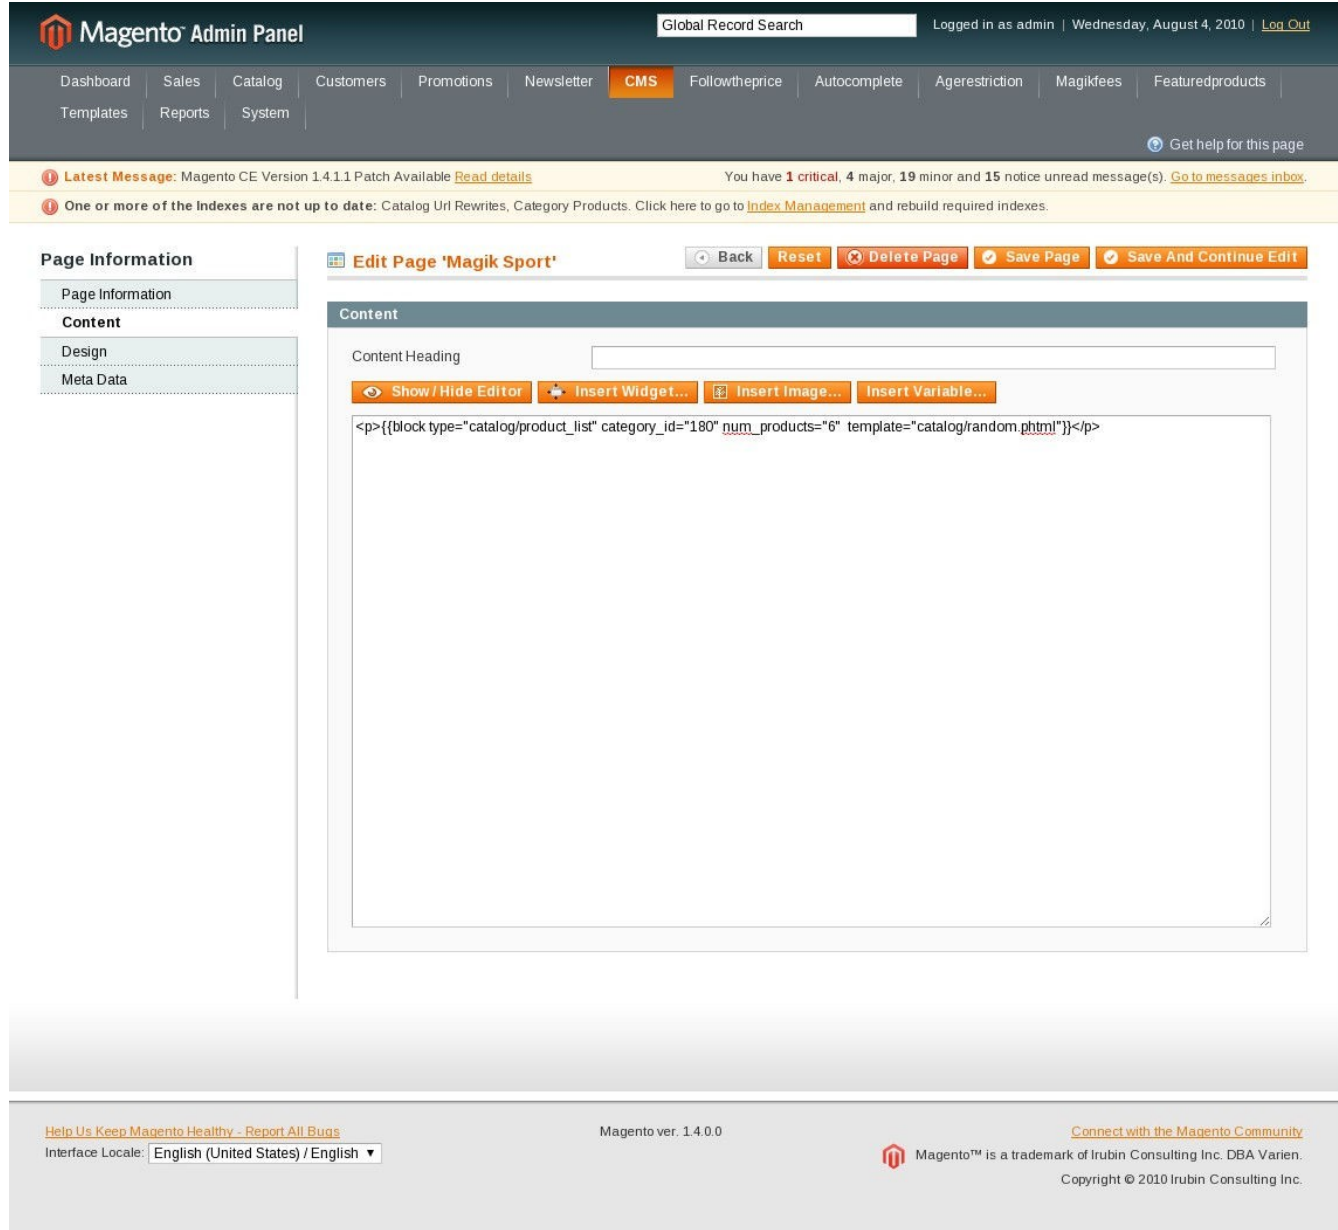

The screenshot displays the Magento Admin Panel interface. At the top, the navigation bar includes the Magento logo, 'Admin Panel', a search bar, and user information ('Logged in as admin | Wednesday, August 4, 2010 | Log Out'). Below this is a menu with categories like Dashboard, Sales, Catalog, Customers, Promotions, Newsletter, CMS (highlighted), Follow the price, Autocomplete, Age restriction, Magik fees, and Featured products. A message banner at the bottom of the navigation bar states: 'Latest Message: Magento CE Version 1.4.1.1 Patch Available Read details' and 'You have 1 critical, 4 major, 19 minor and 15 notice unread message(s). Go to messages inbox.' The main content area is titled 'Edit Page 'Magik Sport'' and features a toolbar with 'Back', 'Reset', 'Delete Page', 'Save Page', and 'Save And Continue Edit' buttons. On the left, a 'Page Information' sidebar lists 'Page Information', 'Content', 'Design', and 'Meta Data'. The 'Page Layout' section shows a dropdown menu for 'Layout \*' currently set to 'Sports layout', which is highlighted with a red box. Below this is a large empty text area for 'Layout Update XML'. At the bottom, the 'Custom Design' section is partially visible, showing 'Custom Design From' and 'Custom Design To' fields.

4. Adding following lines of code in the "Home page content" part.

```
<p>{{block type="catalog/product_list" category_id="180" num_products="6"
template="catalog/random.phtml"}}</p>
```

Note - In the above block "category\_id" will be specific to your magento store.

5. Assign this page as your home page from "System" => "Configuration" => "Web" => "Default Pages".

## Magik Sport Theme on Magento 1.4.1

Magik Sport is tested upto Magento 1.4.0 but you can use this theme if you have upgraded your Magento version to 1.4.1. Just do the followings:

Go to **app/design/frontend/default/magik\_sport/layout/page.xml**

change the line

```
<block type="core/profiler" output="toHtml"/>
```

with this

```
<block type="core/profiler" output="toHtml" name="core_profiler"/>
```
