

Magik QuestionsPro

Magik QuestionsPro extension will allow customers to ask product-related questions on the product page itself. Customer will receive an email when admin answer his/her question & also answer is listed on product details page under “view answers” link. QuestionsPro extension will add a link “Ask a question” in the frontend on product details page. On click of this light box will open & will ask for customer name, email address & question. After submitting the form admin will get the notification email for your question. From admin panel admin can answer the particular question which will be the listed in frontend under “View Answers” link on product details page.

Installation Instructions:

Step 1: Upload Extension at the correct path. You will find the path information along with the extension release.

Step 2: Add following line of code in catalog.xml
(magento/app/design/frontend/default/your_theme/layout/catalog.xml)

```
<block type="questionspro/questionspro" name="product_list.questionspro" as="questionspro"
template="questionspro/questionspro.phtml" />
```

```
<block type="questionspro/questionspro" name="product_list.questionsprolinks"
as="questionsprolinks" template="questionspro/questionsprolinks.phtml" />
```

Once you add above block your catalog.xml file will look like -

```
<catalog_product_view>
.....
.....
<reference name="content">
<block type="catalog/product_view" name="product.info"
template="catalog/product/view.phtml">
.....
.....
<block type="questionspro/questionspro" name="product_list.questionspro"
as="questionspro" template="questionspro/questionspro.phtml" />
```

```
<block type="questionspro/questionspro" name="product_list.questionsprolinks"
as="questionsprolinks" template="questionspro/questionsprolinks.phtml" />
```

```
</block>
```

```
</reference>
```

```
</catalog_product_view>
```

Step 3: Add following line of code in the product view page
(magento/app/design/frontend/default/your_theme/catalog/product/view.phtml) where you want to
add "Ask a question" link. (Best place - Before add to cart)

```
<?php echo $this->getChildHtml('questionsprolinks'); ?>
```

Step 4: Add following line of code at the end of product details page.
(magento/app/design/frontend/default/your_theme/catalog/product/view.phtml)

```
<?php echo $this->getChildHtml('questionspro'); ?>
```

Step 5: Once all the files, folders are copied to the appropriate directory just log into your Magento
control panel.

Step 8: You will see a new Tab "QuestionsPro" in Admin bar. Click on "QuestionsPro"

Following are the screenshots of our demo server -

After Installation login to your Admin Panel and click "QuestionsPro" following screen will be
displayed
