

Magik Quick View – Installation & Configuration

Magik Quick View is a powerful and feature rich Magento extension that quickly show product details on product listing page without actually redirecting customers to product detail page. Built for keeping sales conversation in mind it instantly boost sales conversion by allowing customers to see product details without actually going to product detail page.

Magento Quick Product View is fully customizable and can be configured to show/hide certain aspects of the product in quick view layout.

Features:

Magik Quick View comes with the following set of unique features:

1. Ability to enable/disable Magik Quick View extension.
2. Admin can enable/disable rating & review summary in quick view.
3. Admin can enable/disable more information tab & review tab.
4. Ability to enable/disable short description, full description, additional information, stock availability, add to Wishlist link, add to cart button link.
5. Ability to show all type of product options on quick view popup.
6. Product details page link.
7. Responsive Layout
8. Easily Next & Previous product navigation menu within popup window.
9. Show more views images with switching & zoom effect.
10. Admin can easily set how many reviews should be displayed in quick view.

Buy and Download:

To get started with Magik Quick view extension, please buy and download the extension. Once you buy, the extension will be available for download within your My Account section. The download file is a zip file under : **My Account > My Downloadable Products section**. Follow the installation guidelines and steps below to install this extension. If you face any problems or need our pro installation service, please email us at magik@betterlabs.net.

Prerequisites:

Compatibility: Our Magento Quick view extension is compatible with Magento versions 1.7.x to 1.9.x. Make sure you have compatible Magento Community version before you begin the installation.

Backup your web directory and store database: It is advisable to create backup copies of your web directory and store database before making any major changes to your Magento store. So create a backup copy first and then begin the installation process. You can create backup copies with any tool you find appropriate, Magento has a native backup option which you can use by navigating to **System -> Tools -> Backups** and perform System and Database backups.

Multiple Actions in the Quick View pop-up window :-

The screenshot displays the Aspire e-commerce website interface. At the top, there is a navigation bar with the Aspire logo, language and currency dropdowns (English, USD), and links for 'Default welcome msg!', 'My Account', 'Checkout', 'Company', and 'Log In'. Below this is a search bar with the placeholder text 'Search entire store here...' and a 'SEARCH' button. To the right of the search bar are icons for 'MY CART' (0 items) and 'WISHLIST'. The main content area is partially obscured by a 'Quick View' pop-up window for a pair of high-heeled shoes. The pop-up window has a close button (X) in the top right corner. It features a main product image of the shoes, a smaller thumbnail image below it, and a 'PRODUCT DETAILS' tab. The product title is 'WORLD TRAVELER BLACK AND WHITE POLKA DOTS X-LARGE'. Below the title is a star rating of 4.5 and '1 Review(s) | Add Your Review'. A 'Quick Overview' section contains a short description: 'Nine West offers a quick edit of the runways pinpointing the must have looks of the season, and translating what is fun, hip, and of the moment. It is trend-right footwear that you will reach for in your closet again and again.' At the bottom of the pop-up, there is a quantity selector set to '1' and an orange 'ADD TO CART' button. Below the quantity selector are two links: 'Add to Wishlist' and 'Go to detail page »'. The background of the website shows a sidebar with 'CATEGORIES' (WOMEN, MEN, ELECTRONICS, DIGITAL, FASHION) and 'SHOP BY' (Shopping Options, Price, Manufacturer, Color). The main product grid below the pop-up shows three items, each with a star rating and the name 'Retis lapen casen'.

Configurable Product with options in Quick View Popup window :-

The screenshot displays the Creta e-commerce website interface. At the top, there is a navigation bar with the Creta logo, a search bar, and a shopping cart icon showing 'MY CART / \$259.00'. Below the navigation bar, a horizontal menu lists categories: PAGES, WOMEN, MEN, ELECTRONICS, FURNITURE, KIDS, and CUSTOM. The main content area features a large banner for 'MODERN DESIGN SEASONS' with a 'SHOP NOW' button. A quick view popup window is open, centered on the page, displaying details for 'CN CLOGS BEACH/GARDER CLOG'. The popup includes a main product image of black high-heeled clogs with orange straps, a smaller thumbnail image, and a description: 'Comfortable and fun to wear these clogs are the latest trend in fashion footwear'. The price is listed as '\$299.99' and the availability is 'In stock'. There are two dropdown menus for 'Gender' and 'Shoe Size', both currently set to 'Choose an Option...'. A quantity selector shows 'Qty: - 1 +' and a yellow 'ADD TO CART' button. Below the quantity selector are links for 'Add to Wishlist' and 'Go to detail page »'. The background of the website shows a grid of women's dresses in various colors (red, blue, yellow, purple).

Product Support Policy

Free support period for one Product totals 6 months starting from the purchase date of the Product. The term of free support can be prolonged when a Product update is purchased by confirming and paying extra for prolonged support.

Support team shall provide to Customer, without additional charge, all reasonably necessary written consultation requested in connection with use and operation of the Product or any problems therewith, within above -stated period of time.

Free support does not include achieving compatibility with third party solutions and is not provided if the Product has been customized. In cases when extraordinary support efforts will be required Customer will be offered paid support services. Contact us for paid support services.

Support team preserves the right to ignore any appeals or requests, not falling under the present conditions. All information, acquired from Magik support team is advisory only and shall not create any warranty for Magik.

Service Level Agreement

Magik will provide support services via email (magik@betterlabs.net)

Product Updates

Magik will timely release the information about new updates. It is Customer's responsibility to check for updates availability. Customer can claim updates via Support department.

All updates can be used only as a replacement of a previously purchased Product, not as a separate copy of a Product.

Magik reserves the right to determine which products will be updated and when. Magik reserves the right to discontinue product updates (if necessary).

Updates shall be available to the Customer free of charge for 6 months from the original purchase date. After that an update would cost 75% of the current product price.

Customer is not obliged to purchase updates every 6 months. The decision about whether to purchase an update and when is solely customer's right. Customer can continue using the Product after 6 months from the original purchase date and can contact Magik for paid support services.

Refunds

Customer may demand a refund for any Magik product within a 30-day period from the date of purchase.

Any clarification of Customer's refund claim within the 30-days period is optional.

Refund requests submitted after the expiration of the 30 days period shall not be accepted.

Refunds of money charged for custom installation service shall not be issued.

Magik considers its Product refunded when the money has been withdrawn from its account. If no notification of non-acceptance has been received from client within 10 bank days, product is

treated as refunded. The Customer is obliged to uninstall the product before requesting the refund and terminate all its copies and derivatives within the 5 bank days starting from the day of initiation of money refund process.

Magik is not responsible for any damages neither with Magento running, nor with business profits or information occurring due to enforced manual deleting of refunded Product or its derivatives.

Disclaimer of Responsibility

Magik Products are not stand- alone solutions and require Magento to be installed primarily with a valid Magento License. Magik does not guarantee for its Product to operate correctly on any Magento solution, either modified or non-modified.

Magik does not bear any responsibility for damages or incorrect running of the Magento solution, occurred due to installation or utilizing of Module. Magik disclaims any accountability for content of a site on which the Product is installed. Magik is not liable to Customer or any third party for any damages including, but not limited to, loss of business or business profits, loss of business information due to using Magik Products. By accepting this License Agreement Customer acknowledges to use the Product at own risk and has clear understanding of responsibility for any damage to own computer system and data.

Changes in Conditions

Magik reserves the right to modify these agreement terms at any time. It is solely Customer's responsibility to inquire about any changes made to the present Agreement.
